4 September 2019

Dear Claire,

Re: IEB at Peacehaven Heights School

Thank you for your application, seeking consent to the appointment of an Interim Executive Board (IEB) at Peacehaven Heights School.

This application has been approved and the proposed members may now formally take up their responsibilities, with immediate effect. The Department expects the IEB to actively consider a sponsored academy solution, as we consider that such an arrangement will safeguard the long-term future of the school.

Yours sincerely,

Claire Burton
Regional Schools Commissioner, South East and South London
