Hello everyone,

Firstly, a huge thank you for all the support we have had so far this year. We have had a great year with some very successful events that all the children have really enjoyed.

The Link held fundraisers such as cake sales, school discos, entertainers, school fairs, movie nights, raffles and tombolas. All of which have resulted in some brilliant new resources for the school.

Unfortunately due to changes within The Link team we urgently require some new members to fill some important roles to enable us to carry on supporting the school. It would be such a shame for our school and for our children to lose this.

For The Link to continue we urgently need volunteers for the following positions:

Co Chair
Vice Chair
Co Treasurer
Secretary
Committee members

We will be arranging our AGM for early October and if anyone can volunteer to support the continuation of The Link please contact us on the email above or on our facebook page.

Many Thanks

From all of us at
