Term 4

13th March 2020

Dear Parents and Carers,

It has been a busy few weeks in school with a vast array of guest pupils, including quite a few Harry Potters, a Demon Dentist and even a surprise appearance from Snow White and the Seven Dwarfs on World Book Day!

This week, we have been celebrating British Science Week with lessons focusing on 'Our Diverse Planet'.

Parents and families can get involved in Science Week by going on a nature walk, exploring science related events and activities in the local area, or visiting places such as museums or science centres.

Thank you to the parents and carers who have supported our recent library visits. It has been lovely to see the love of reading being promoted so heavily across the school and we are very grateful for your support.

Thank you also to the parents and carers who attended this week's parent consultations. We hope you enjoyed looking through your child's learning and discussing their progress. If you haven't yet had a chance to speak to your child's teacher, please contact the school office so an appointment can be arranged.

With best wishes,
Gemma Roxburgh
Acting Headteacher

Parking issues

We realise that the early morning drop off and afternoon pick up can be stressful but we would like to politely request that we all act with courtesy for others. We have had a number of reported incidents where children have had to witness behaviour and language that they should not have to on the school run.

Thank you for your co-operation with this matter.

Zumbathon

Today, we have all enjoyed taking part in a Zumbathon for Sports Relief. Every class took part and the staff joined in too!

Sport Relief was created to raise money to help people who need it the most, no matter where they are - in the UK and around the world. The money raised goes to support mental health, child poverty, domestic abuse and helping people have a safe place to live.

Thank you for all your donations and support.

World Book Day Special

Wow! Peacehaven Heights was full of exciting book characters last Thursday on World Book Day. It was lovely to see such a great range of costumes on display. We had a variety of activities on offer last week and would like to thank you for your support in organising costumes, book swaps and for attending our 'Open House' sessions in school. Our staff enjoyed the day as much as the children!

In addition to this, we would like to thank Premier Education Group for delivering Performing Arts Workshops to Year 3 and 4 in the lead up to World Book Day.

Book Fair

Our next Book Fair is being held between Monday 30th March to Friday 3rd April.

Books will be available to purchase before and after school on both sites.

Please support the school as we earn commission on sales which allows us to purchase more quality texts for your child to enjoy in class and in the library.

House Points

The School Council chose the following for their final 3 rewards for the winning House to choose from at the end of term:

- ♦ *Intra-house sporting competition e.g. Rounders*
- ♦ *Extra 'Coding' time per class*
- ♦ *House 'Sing-Off'*

The current House Points totals are as follows:

Goodall	61
Hawking	58
Bowie	55
Pele	53

Golden Table

Children can win a 'Golden Ticket' by showing one of our Core Values of Respect, Compassion, Resilience or Courage during break time and lunch time.

Congratulations to the following children whose names were drawn out of the hat in recent weeks for the Golden Table lunch with the Senior Leadership Team.

Well done to:

Infants: Tobias C, Toby L, Jayden B, Matthew K, Rocky, Amelia E, Yassin, Darcy, Lola B, Jessica, Zack and Jayden C.

Juniors: Oliver H, Ryan R, George J, Leo M, Scarlett I, Frankie D, Ashton O, Matthew D, Archie-Jay Rio, Sammy and Raymond.

Rob-Lloyd Jones

We welcomed Rob Lloyd-Jones, author of 'Jake Atlas', to the Junior site this week.

Rob delivered a fantastic assembly to all children and staff and then he spent time in classrooms talking about his writing experiences and inspiring our next generation of writers.

We have more author events planned for the Summer term at both sites.
