9.30-10.30 My Maths, Times Tables Rock Stars

See attached sheet on calculating perimeter. Can you explain to someone at home what perimeter is?

10.30– Written task, spelling and handwriting.

Change at least 10 words in this text to change its meaning. Rewrite it using your neatest handwriting.

Students of class 1 were taken for a school picnic to a zoo. There were many animals in the zoo. Monkeys, deer, tiger, lion, hippo, ducks, crocodile, rabbits and bears. All the children were happy to see so many animals. They first went to see the deer which ran and played here and there. Then they saw the tiger lying lazily near a water pond. All children were quiet while watching the tiger. Suddenly they heard the lion roar. It made them all terrified so they ran towards their teachers. They were all shocked when the teachers began singing.

11.30: – Foundation subject task

SCIENCE

You are going to carry out an investigation. (See attached sheet).

Which object sinks the fastest?

Consider these questions:

Why do you think that object sank the fastest? Which object is biggest/smallest? Does the size of the object make a difference? Does the weight of the object make a difference?

P.E
