Year 3s new topic this term in the **Indus Valley!**

Have a look at the powerpoint about the Indus Valley in today's Year 3 Home Learning folder.

What else can you research (using the internet or books at home) about the Indus Valley?

Continued on next page...

Try and answer these questions:

- Where is the Indus Valley?
- What is the landscape like there? (Hilly, flat, forests, volcanoes?)
- What is the weather like?
- Does the Indus Valley civilisation still exist today?
- Were the Romans around at the same time as the Indus Valley Civilisation?
- What other ancient civilisations do you know about? Can you compare the Indus Valley people to?

Over the next 3 days I want you to **research the Indus Valley**.

At the end of the week I want you to create a booklet/ leaflet or poster advertising all the interesting things you've learnt about this place. As if you're a travel agent selling holidays to the Indus Valley!

Use this research template below, to help you or if you don't have a printer just use paper/ notebook to write down your own notes. Try and answer the questions above in your notes about the Indus Valley.
