username: march20

password: home

Also - If you are someone who uses Nessy or Lexia at school and you know your log on and password you can use these programmes at home to keep practising your reading, comprehension and spelling skills.

Task 4 - English Writing 11:30 - 12:30

Year 3s new topic this term in the **Indus Valley!**

Have a look at the powerpoint about the Indus Valley in yesterday's Year 3 Home Learning folder.

What else can you research today (using the internet or books at home) about the Indus Valley?

Try and answer these questions:

- Where is the Indus Valley?
- What is the landscape like there? (Hilly, flat, forests, volcanoes?)
- What is the weather like?
- Does the Indus Valley civilisation still exist today?
- Were the Romans around at the same time as the Indus Valley Civilisation?
- What other ancient civilisations do you know about? Can you compare the Indus Valley people to?

Building on your research (what you found out) on Monday and Tuesday, today is your last day to **research the Indus Valley**.

Use the research template below (copy the headings into your notebook/ piece of paper or print out the template if you are able to). Try and answer the questions in purple in your notes/ research about the Indus Valley.

Travel Guide

Complete the boxes with as much information as you can to help you produce a travel guide all about the Indus Valley.

Where is the Indus Valley?	What is it like in the Indus Valley? (Talk about physical features like rivers, mountains etc.)	Why should I visit the Indus Valley? (Can you think of some catchy slogans or persuasive words to tempt visitors?)
What are the main cities called? What other places are nearby?	What is the weather like?	

On Thursday and Friday I want you to create a booklet/ leaflet or poster advertising all the interesting things you've learnt about this place. As if you're a travel agent selling holidays to the Indus Valley!

Lunch 12:30 - 1:30pm

Family Time 1:30pm
