10.00-10.45 White Rose Maths

Today we are going to learn about **telling time at five minute intervals**.

Before we start, practise your five times table.

1 times 5 is 2 times 5 is

Have a look at this song to help you tell the time!

<https://www.youtube.com/watch?v=h6RNkQ7IU8Y>

With your home-made analogue clocks. Can you show your parent/carer the following times.

1. 5 minutes past 3
2. 10 minutes past 3
3. 15 minutes past 3 **What's another name for this?**
4. 20 minutes past 3
5. 25 minutes past 3
6. 30 minutes past 3 **What's another name for this?**
7. 25 minutes to 4 Why has the **past** changed to **to**?
8. 20 minutes to 4
9. 15 minutes to 4 **What's another name for this?**
10. 10 minutes to 4
11. 5 minutes to 4
12. 4 o'clock.

When you are showing these times on your clock,

What do you notice about the minute hand? How does your 5 times table help you?

Now, show your parent/carer these times:

1. 10 minutes past 4
2. 25 minutes past 7
3. 20 minutes past 3
4. 10 minutes to 5
5. 20 minutes to 7
6. 25 minutes past 3
7. 25 minutes past 3
8. 5 minutes to 9

Great job Year 3!

This week we are writing a letter to the Prime Minister of England, can you remember his name?

Today you are going to plan the **third** paragraph of your letter.

In the **third** paragraph (which is going to be the longest) you need to find out and **write down some fantastic ways to prevent climate change**, to help protect our amazing planet.

We are asking Boris Johnson to encourage more people to do these excellent things. Maybe he could make some things illegal to stop people doing it?

Look at the following websites and find four ways that will help look after our planet and reverse the effects of climate change. Look for ways that you could help too!

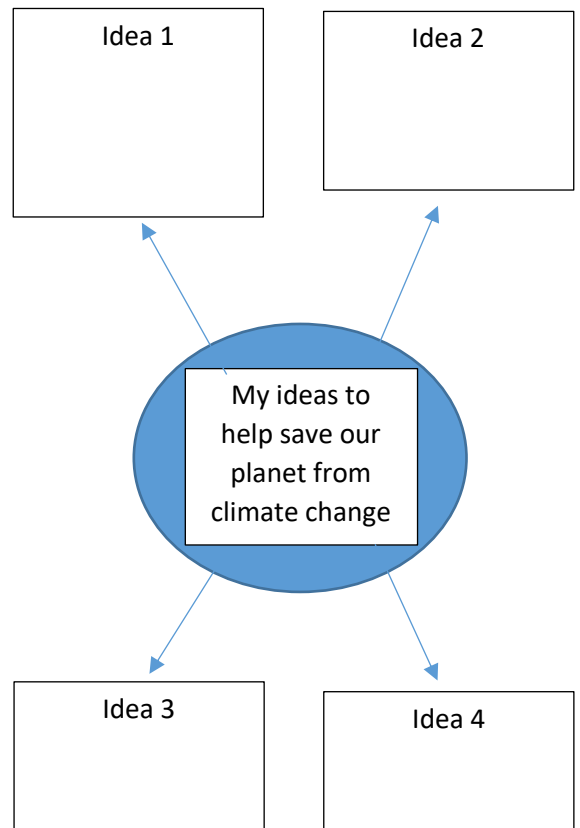

Then put your four ideas into a mind-map like the one here >>>
