

Reception Home Learning

<u>Daily Plan</u>	<u>Curriculum Area</u>
9.00-9.30	<p style="text-align: center;">Shared Reading and Phonic Activities</p> <p>Sing Jolly Phonic Sounds song Phase 3/4</p> <p>Phonics play</p> <p style="text-align: center;">Coronavirus Update</p> <p><small>As a result of the U.K. government decision to formally close schools, we have decided to make PhonicsPlay free to use during this period. Children can use the site at home without their parents needing to subscribe. To access our resources all you need to do is log on using the following details:</small></p> <p>Username: march20 Password: home</p> <p style="text-align: center;">Play some of the games and go back over the You tube video links we sent in the first week. How many of these sounds can you remember?</p> <p style="text-align: center;">Can you put them in a word?</p> <p style="text-align: center;">Try watching the Mr Mc phonics lessons on Youtube. He is one of my favourites.</p> <p style="text-align: center;">Go to Banana Banana Meatball on Youtube and have a go at singing and dancing. You could even sign up for an account on Go Noodle and try a whole selection. Perhaps a different one every day.</p>
9.30-9.45	<p>Daily Phonics Lessons</p> <p>I have attached a fun Phonics booklet for you to begin to go through. Why don't you try a different page every day? Share this with your adult- you may even have to teach them the sounds!!!</p>
10.30-11.00	<p style="text-align: center;">Snack and Fitness Clips</p> <p style="text-align: center;">Try a Joe Wicks PE lesson. I have been really enjoying these with the children when I have been into school. Can you beat your adult? Can you</p>

	<p>count how many moves you can do? Try writing these down? Perhaps you can make a table with your adult and record in it each day the number of repetitions you all complete.</p> <p>https://www.youtube.com/results?search_query=cosmic+yoga+for+kids</p> <p>https://www.youtube.com/results?search_query=joe+wicks+pe+lesson</p> <p>Or why not try a relaxing yoga session. We have loved completing some of these cosmic yoga sessions in school. Have a go but try not to be so relaxed that you fall asleep!!</p> <p>https://www.youtube.com/results?search_query=cosmic+yoga+for+kids</p>
<p>11.00- 11.45</p>	<p style="text-align: center;">Maths</p> <p style="text-align: center;">Explore the Reception Tab in the following Link</p>  <p style="text-align: center;">https://whiterosemaths.com/homelearning/early-years/</p> <p>Have a go at some of the maths games on this site.</p> <p>https://www.topmarks.co.uk/Search.aspx?Subject=16&AgeGroup=1</p> <p>There are also some lovely games and clips on the CBeebies website- just follow the link.</p> <p>https://www.bbc.co.uk/cbeebies/topics/numeracy</p> <p>There are also some great Maths challenges on the Oxford Owl site. Have a go at these.</p> <p>https://home.oxfordowl.co.uk/kids-activities/fun-maths-games-and-activities/</p>
<p>12.00- 1.00</p>	<p style="text-align: center;">Lunch</p>
<p>1.00- 1.15</p>	<p style="text-align: center;">Understanding The World</p> <p>Can you find out some facts about your favourite minibeast? Can you design a poster and draw or paint a picture of your minibeast. Can you record 5 facts about it? Perhaps you could find out 1 fact a day. I cannot wait to see your posters.</p>

<p>1.15-1.30</p>	<p style="text-align: center;">Reading</p> <p>Share your child’s reading book. Read every day until your child is able to read the book fluently. Oxford Owls have a huge selection of online reading books to use.</p> <p>https://home.oxfordowl.co.uk/books/free-ebooks/</p> <p style="text-align: center;">Stories</p> <p>Here is a link to some online stories that you can read or listen to together.</p> <p>https://kidsread2kids.com/</p> <p>You can explore some lovely stories together here too</p> <p>https://www.booktrust.org.uk/books-and-reading/have-some-fun/storybooks-and-games/</p>
<p>1.30— 2.30</p>	<p style="text-align: center;">Activities</p> <p>Dance - Listen to and join in with the BBC time to move dance episodes – Spring in the garden</p> <p>https://www.bbc.co.uk/programmes/b03g6hgk/episodes/player</p> <p>Can you make up your own spring dance? Maybe you could be chick hatching from an egg? Can you write some instructions or draw pictures so that I can have a go?</p> <p>For this next activity we are going to explore the different technology that we have in our homes. First, watch the attached episode of Maddie’s Do You Know? How does the television work?</p> <p>https://www.bbc.co.uk/iplayer/episode/b0bjpvt/maddies-do-you-know-series-2-19-television-and-carpet</p> <p>Write down any facts that you have learnt or you may like to investigate a different form of technology in your home. You could find out when it was made? Did your grown-ups have it when they were your age? How does it work? Does it need batteries or does it work off electricity? Where does electricity come from? Why is electricity dangerous?</p>

Physical Education - Practise your throwing and catching skills with a member of your family. Can you make up a new throwing and catching game? Write the rules for your game and share them with someone.

[MR TUMBLE I CAN SING A RAINBOW](#)

Play the children the CBeebies video *I Can Sing A Rainbow* by Mr Tumble. Play the video several times, encouraging the children to join in with the words and actions.

Makaton signs are available online if you want to teach the children how to do these along with Mr Tumble!

Ask your child to design their own colourful rainbow, they can draw, paint, chalk or use fabrics. Let their imagination run wild!

Try these science experiments over the next few weeks.

Thanks so much for making us our video. We loved watching that.

Have fun!

Mrs Ayres and Ms Murphy
