Can you create a cereal bee hive? How will you make it look like a bee hive? What colours do you think you will need?

Draw some plaque on a tooth and ask your child to use a tooth brush to clean the tooth. Have a conversation about why it is important to keep your teeth clean.

The daily mile – can you walk a mile a day?

Challenge: recall 7 things you saw on your walk.

Try these science experiments over the next few weeks.
