

Mission statement:

At Peacehaven Heights Primary we are committed to providing a high quality education for all pupils, including those identified as having SEND needs. All pupils are entitled to a broad and balanced academic and social curriculum which is accessible to them and should be fully included in all aspects of school life. We believe that all children should be equally valued in school and we strive to eliminate prejudice and discrimination and to develop an environment where all children can reach their full potential.

Access facilities for pupils with SEN

- Our sites are wheelchair accessible
- We have disabled toilets and changing facilities
- We have a full accessibility plan that is regularly reviewed
- Teachers and support staff ensure that all children are able to access the curriculum
- We use visual timetables to ensure that children know where they will be going and what they will be learning about next.

Equality

We are committed to eliminating discrimination, promoting equality of opportunity. Pupils with SEND engage in the activities of the school together with those who do not have SEND, and are encouraged to participate fully in the life of the school and in any wider community activity. The school works in partnership with the local offer to ensure that pupils with SEND are not treated less favourably.
